CONTRACT # EV2370

While disasters or emergencies are not something we like to think about, the reality is they happen – and Graybar is prepared. We have the locations, processes and products available to assist our public agencies in the event of an emergency or disaster.

Legal Contracts: The City of Kansas City, MO awarded a competitively solicited cooperative contract to Graybar. Through OMNIA Partners, Public Sector, Contract #EV2370 is available to public agencies preparing for emergency situations or responding to one.

Products: Graybar is your trusted resource for electrical, lighting, data/communications, networking, wireless and security products included related MRO supplies.

Services: Graybar provides services to support our products, including but not limited to assessment, repair, retrofit, upgrade, training or installation.

Locations: With a network of 290 locations and more than \$400 million in inventory, Graybar is a local distributor backed by the strength of a FORTUNE 500 company.

Emergency Warehouse: We can help support your operations. This could be in a Graybar location, tent, onsite trailer or other location.

Technology: With redundant computer systems and eBusiness capabilities anyone with system access can process a customer request, providing you with direct access to secure needed materials.

Responsiveness: We can help power up shelters, set up command centers and security systems, repair or replace damaged electrical and communication systems.

U.S. Communities is now a subsidiary of OMNIA Partners.

The Critical Link

When disasters occur, immediate response is required. Graybar's OMNIA Partners agreement is the key to purchasing efficiency and reporting in chaotic times.
