

I have a favor to ask...with very little Chapter activity we MAPP is trying to get creative. Would you be willing to be our special expert in our Ask an Expert segment for our Chapter newsletter? For each issue we are going to seek out experts in our profession and ask them questions to help support and motivate our members. Below are what would be needed and the questions.

Provide a bio and a headshot – link to websites if they have one.

- What advice would you offer to a new Procurement Professional?
- What advice would you offer to a seasoned Procurement Professional?
- COVID has changed so much for our industry. Can you share some resources that you have used or found to be useful during this season?
- Over the course of your career in Procurement what has been your biggest challenge? What has been your biggest learning opportunity?
- What do you think it takes to be a successful Public Procurement Professional?
- What resources do you use to help you grow professionally?
- Is there any additional words of wisdom or advice that you would be willing to share with our MAPP Members?
