MISSION The current mission of the Organization is as follows:

The purpose of the CO-OPP is: to save money by cooperatively purchasing some items; to enhance our value to our entity by creating and taking advantage of educational and professional development opportunities; and, to enable us to share resources more easily by fostering the development of a network of peers.

OBJECTIVES The current objectives of the Organization are as follows:

The objectives of this chapter are to establish cooperative relationships among its members for the purpose of:

1. Developing mutual and competitive specifications.
2. Collectively purchasing commodities.
3. Evaluating product and vendor quality.
4. Providing research and development into areas of mutual purchasing concern.
5. Saving time and developing better bid specifications, since common specifications will be prepared for multiple jurisdictions.
6. Encouraging the highest ethical standards in buying and selling.
7. Creating, promoting and utilizing educational and professional development opportunities.
8. Collecting and disseminating useful information to its members.
9. Promoting the interchange of ideas and experiences within the purchasing profession.
10. Promoting legislation and regulations that enhance and simplify the procurement needs of public jurisdictions.
