Mission

To provide leadership in the professional development of our members by providing educational, certification and networking opportunities.

To enable members to raise their level of expertise and standards of excellence thereby promoting public trust.

Vision

To be the leading source in the State of New York for public purchasing education, certification and professional resources.

Strengths
- Levels of expertise
- Annual Seminar
- Funding (money)
- Strong commitment from Executive Board
- Large Downstate Membership
- Broad Membership Base
- NIGP affiliation
- Certification Courses
- Member speakers/presenters
- Regional Meetings
- Large Membership potential
- Support from OGS
- Support from State Comptroller

Weaknesses
- Limited outreach and communications
- Lack of ongoing educational opportunities
- Limited Membership involvement
- Lack of Membership
- Relationships to other organizations
- Marketing
- Newsletter
- Web site
- Communication with Members
- Low Membership Upstate
- Regional Meetings
- Legislative Influence
- Support from State Comptroller

Opportunities
- Increase Membership
- Relationships with other organizations
- Legislate mandated training Newsletter
- Newsletter
- Hold more NIGP Classes Structured Meetings
- Vendor Sponsorships
- Structured Meetings

Threats
- Overlapping Organizations (NYCOM etc...)
- Member's Budgetary Constraints
- Members that do not volunteer
- Not enough meetings
