Accessing your eBook on PC & Mac

Getting Started:
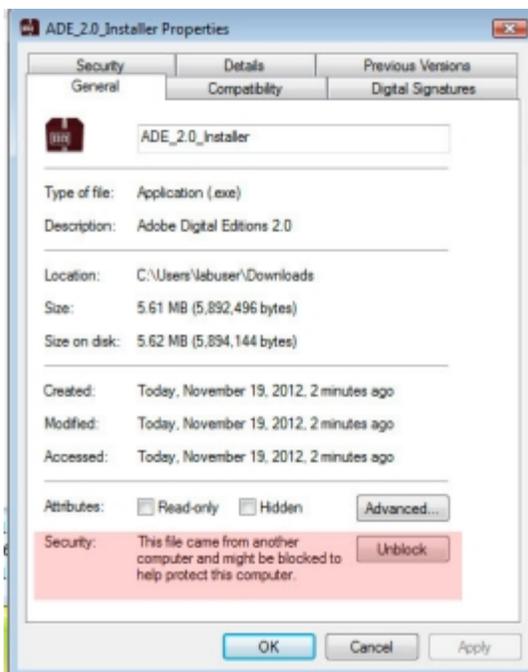

You will first need to create an Adobe ID. You can do so by going here and selecting "Don't have an Adobe ID?"

You will also need to download and install Adobe Digital Editions.

Vista Users:

In Adobe's recent version of Digital Editions, there have been some compatibility issues with Vista. In order to avoid these issues, please follow these instructions:

1. Download the installer from http://www.adobe.com/products/digital-editions/download.html.
2. Choose to save the install files to a location on your hard disk.
3. Navigate to the saved location, right-click ADE_2.0_Installer.exe, and select Properties.
4. Under the General tab, click the Unblock button next to Security.

5. Click OK to apply the changes and close the Properties window.
6. Double-click the ADE_2.0_Installer.exe to begin the installation process.

Mac Users:

Your experience will be nearly identical to this process, but with the slight variations inherent with Mac computers.

Once you have created an Adobe ID, download and install [Digital Editions](#).

[Run]   [Cancel]

☑ Always ask before opening this file

While files from the Internet can be useful, this file type can potentially harm your computer. Only run software from publishers you trust. What's the risk?

Follow the steps outlined by the installer until it has completed. You should also be prompted to authorize your computer during this stage. Enter your Adobe credentials and click "Authorize."

If you missed authorizing Digital Editions during the install, open it up and select "Help," then "Authorize Computer…"

Now you are ready to download eBooks!

Navigate to the delivery email and select the PC/Mac download link at the bottom of the page.

E-BOOK DOWNLOAD LINKS
In order to access the e-book please select the correct link below.
Save this email! You will need these links to download to other devices (up to 6).
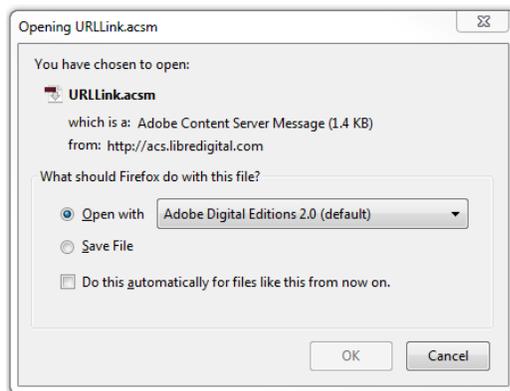

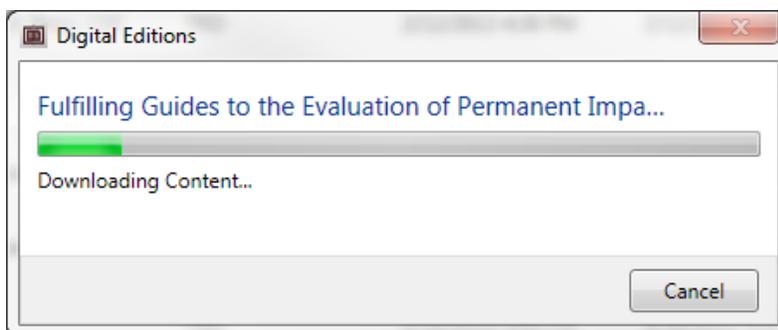

| PC Users: | Download PC version |
| iOS Users: | Download version for iPhone/iPad |

This should prompt you to open or save a file called URLLink.acsm. If given the option, open the file with Digital Editions.

If you must save the file, do so, then navigate to your "Downloads" folder and open the file.

Once you open the file, Digital Editions should pop up and begin downloading the eBook.

Once the download is finished, you will be able to view your eBook!
