NEW PATHWAYS VIRTUAL INSTRUCTOR-LED COMPETENCY OFFERINGS

Half Day and One Day Courses

NIGP is here to support the educational needs of members during these times. We worked diligently with our Content Committee to create these focused offerings that bring NIGP’s experienced instructors to your desktop and help build the critical competencies you need to be successful in today’s workplace. These courses also provide the opportunity to socialize and interact with peers from around the country. We know you may be struggling with short term budget cuts, so we have reduced our pricing by 35 percent.
